Dr. Jacobs is the Vice President of Academic Affairs and Director of the Trauma Institute at Hartford Hospital. He is Professor of Surgery, Traumatology and Emergency Medicine at the University of Connecticut. He graduated from the University of the West Indies Medical School in 1970. He received his surgical training at the Peter Bent Brigham Hospital in Boston and at University and Boston City Hospitals. He holds a Master’s Degree in Public Health from the Harvard School of Public Health.

Dr. Jacobs became the Director of Emergency Medical Services for the City of Boston and the Trauma Center at Boston City Hospital. He designed and implemented Basic and Advanced Life Support for the City of Boston. He then moved to Hartford Hospital where he implemented the LIFE STAR Air Medical Service and the Trauma Center. He inaugurated a new Department of Traumatology and Emergency Medicine at the University Of Connecticut School Of Medicine.

He is the Chairman of the Hartford Consensus, Joint Committee to Increase Survival from Active Shooter and Intentional Mass Casualty Events. He is currently on the Board of Regents of the American College of Surgeons and was on the Executive Committee of the Governors of the American College of Surgeons. He is a past Director of the American Board of Surgery. He is a founder and past President of the Eastern Association for the Surgery of Trauma (EAST) and past Vice President of the American Association for the Surgery of Trauma (AAST). He is past President of the American Trauma Society.

He has lectured extensively in the United States and across the World. He has over 250 publications including numerous books and book chapters. He is the founder of the Advanced Trauma Operative Management Course (ATOM) and the Editor of the ATOM Textbook. ATOM is now available in 55 sites in the United States, Canada, Africa, the Middle East, Japan, Saudi Arabia, UAE, Qatar, Italy, and Brazil. Over 700 surgeons have been fully certified as ATOM instructors. ATOM has trained over 3800 surgeons.

Dr. Jacobs was awarded an Honorary Degree of Doctor of Science (Honoris Causa) presented by The Council and Senate of the University of the West Indies. He was awarded an Honorary Fellowship in the West African College of Surgeons. He received the Connecticut American College of Surgeons Distinguished Service Award. He has also been recognized by his peers for his contribution to the surgery of trauma and has been the recipient of the Meritorious Award of the American College of Surgeons Committee on Trauma. The American College of Surgeons, American Association for the Surgery of Trauma, and the National Safety Council presented him with the “Surgery’s” Award for Service to Safety. He received the Dr. Norman E. McSwain, Jr. PHTLS Leadership Award for Contributions and Continued Commitment to the Care of the injured patient especially to their Pre-hospital Care. The Governor of Connecticut presented him with the States’ Award for Dedicated Service to the State of Connecticut.
