NEXT MEETINGS

Dallas (New Dates)
September 30-October 2, 2016

Midland
April 7-9, 2017

HONORED GUEST SPEAKER

ROBERT W. BEART, JR., M.D., F.A.C.S., F.A.S.C.R.S.

Dr. Beart has been married to Cindy for 45 years, has three children, and nine grandchildren.

Dr. Beart was born in Kansas City, Missouri, and raised in Chicago. He attended public high school and subsequently matriculated to Princeton University where he graduated with honors. He went to Harvard Medical School, received the Alumni Award upon graduation, and was President of his Class for three years. He did his general surgical residency at the University of Colorado as well as a fellowship in liver and kidney transplantation. He joined the faculty in general surgery at the Mayo Clinic in 1976 and subsequently took additional training and became board certified in colorectal surgery. From 1978 to 1980, he headed the Department of Colorectal Surgery at the Mayo Clinic, and then moved to the Mayo Clinic in Scottsdale, Arizona, where he was Chairman of the Department of Surgery and served on the Board of Governors. In 1993, he moved to the University of Southern California to be head of the Division of Colon and Rectal Surgery.

Dr. Beart has authored over 400 publications. He is best known for his contributions in the area of avoiding stomas by preserving intestinal continuity, managing recurrent rectal cancer and the development and verification of minimally invasive surgical techniques for the management of colon and rectal diseases – particularly cancer. He has been Chairman of the Commission on Cancer of the United States and President of the American Society of Colon and Rectal Surgery, the Society for Surgery of the Alimentary Tract, and the International Society of University Colon and Rectal Surgery.

Texas Surgical Society CME Procedures

LEARNING OBJECTIVES

This program is designed to present the surgeon with practical information on a variety of topics in the fields of general surgery, thoracic and cardiac surgery, peripheral vascular surgery, surgical oncology, orthopedic surgery, plastic surgery, urology, neurosurgery and trauma.

CONTINUING MEDICAL EDUCATION CREDIT INFORMATION

Accreditation

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American College of Surgeons and the Texas Surgical Society. The American College of Surgeons is accredited by the ACCME to provide continuing medical education for physicians.

AMA PRA Category 1 Credits™

The American College of Surgeons designates this live activity for a maximum of 10.25 AMA PRA Category 1 Credits™ Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Of the AMA PRA Category 1 Credits™ listed above, a maximum of 10 credits meet the requirements for Self-Assessment.

Of the AMA PRA Category 1 Credits™ listed above, a maximum of 1 credit may qualify as Ethics.*

The content of this activity may meet certain mandates of regulatory bodies. ACS has not and does not verify the content for such mandates with any regulatory body. Individual physicians are responsible for verifying the content satisfies such requirements.

Disclosure Information

In compliance with the ACCME Accreditation Criteria, the American College of Surgeons, as the accredited provider of this activity, must ensure that anyone in a position to control the content of the educational activity has disclosed all relevant financial relationships with any commercial interest. All reported conflicts are managed by a designated official to ensure a bias-free presentation. Please see the insert to this program for the complete disclosure list.

* The content of this activity may meet certain mandates of regulatory bodies. ACS has not and does not verify the content for such mandates with any regulatory body. Individual physicians are responsible for verifying the content satisfies such requirements.
